STEP BY STEP in this order

- [ ] **1 Read Smartraveller's Indonesia page**
  The latest entry rules for Australians. Entry and exit conditions can change at short notice, so check it again the week you fly.
  www.smartraveller.gov.au/destinations/asia/indonesia

- [ ] **2 Apply for the e-Visa on Arrival (e-VOA)** FROM 90 DAYS OUT
  Choose **B1 – Tourist (Visa On Arrival)**: **Rp 500,000**, a 30-day stay, extendable once for another 30. Apply at home once your flights are booked, not mid-journey. One application can cover 5 people. The e-Visa arrives as a download link by email.

- [ ] **3 Pay the Bali tourist levy** BEFORE YOU FLY
  Rp 150,000 per person, paid once per visit, cashless only. It is separate from the e-VOA. Paying online before you leave is strongly encouraged; the levy voucher with a QR code comes by email.

- [ ] **4 Fill in the All Indonesia arrival card** LAST 3 DAYS
  From 3 days before arrival until the day you land (land on a Saturday, start on the Wednesday). **Free**. One form covers immigration, health, quarantine and customs. Use the same passport as your e-VOA; a family or group can go on one submission. You get a QR code.
  allindonesia.imigrasi.go.id

- [ ] **5 Land at Ngurah Rai**
  Have your passport and your onward ticket in hand. With an electronic passport and an e-VOA you can use the autogates (immigration's notice, in Indonesian). In Bali, carry photo ID or a copy: immigration does random spot checks.
